February 21, 1953 is a very important date for all alumni of Lycoming College, but it has a special significance for those alumni of the classes of 1903 and 1928. That is the date of the Greater Lycoming Banquet and a chance for class reunions, for these classes in particular it will mark the half century and quarter century marks respectively.

In the tradition of last year's event, the 1953 Banquet will be held in Clarke Dining Hall and the dance will be held in the gymnasium. Tickets will be $1.50 per person and the dance will be $1.50 per couple.

The speaker for the occasion has not yet been disclosed but the Alumni Council is busy making plans for entertainment for the occasion. Don Larrabee is chairman of the speaker's committee.

Dr. Hilbish Dedicates Latest Book to Father

Florence M. A. Hilbish, PHD., formerly of Hughesville, recently published a book, "The Research Paper." This was published by the Bookman Association, Inc., New York, N. Y.

"The Research Paper" was dedicated to her father, Benjamin Hilbish, who is a member of the Central Pennsylvania Conference.

Dr. Hilbish, now a professor of English at Taylor University, Upland, Indiana, is a member of the class of 1912.

Rev. Lawrence Lykens, Reports On Alumni Council Meeting

Reporting the results of the recent Alumni council meeting, Rev. Mr. Lykens, assistant to the president of Lycoming College, announced the election of Nathan W. Stuart, a local attorney, class of 1936, as treasurer of the Alumni Association. Also on the agenda was planning for the Greater Lycoming Banquet. The date has been set for Saturday, February 21, 1953 for both alumni and students. Don L. Larrabee is chairman of the speakers committee.

The Living Endowment Fund was reported to have 295 contributors.

The concluding business was the decision to join the American Alumni Council. This Council, which dates from 1913 when the Association of Alumni Secretaries was formed has as its aim, the furthering of friendly relations among its members; the interchange of ideas on alumni and educational problems; by the study of practices and policies of organized alumni work; and by the appraisal of alumni achievement.

A total of 549 colleges and universities throughout the U. S. are included in the membership.

PLEASANT FUTURE PROSPECTS

Dear Alumni:

Greetings and good wishes to each of you from the President and Staff, Faculty and Students of Lycoming College. In spite of the many uncertainties which face all of us the present conditions and future outlook of the college are very encouraging.

Greater Lycoming Banquet

The important mid-winter event—our annual banquet—is just one month ahead of us. I hope you are planning to attend. Details of a most interesting program are included elsewhere in this bulletin.

Meetings of Educational Associations

The annual meetings of the Methodist Educational Association and of the Association of American Colleges were held January 4-8 in Los Angeles. Mrs. Long and I took advantage of the occasion to visit relatives, including Olive and John and their families in Seattle, Portland, Chico, California, Los Angeles, and Tucson, Arizona. Needless to say this feature of our trip was most enjoyable.

In the Educational Association meetings questions were the order of the day. In view of the expanded program of the church colleges following World War II, and the greatly reduced enrollments and income of the present time, many of the speakers pointed out the difficulties facing our colleges. Lycoming shares this general condition, and being new as a four-year college we need your continued help. Thank you for your generous response to our Living Endowment appeal. Please continue to send young people to us.

Lycoming is now approved by the Pennsylvania Department of Public Instruction for teacher training on the Secondary level. Point this out to your young people who want to teach. The demand for trained young people in many fields was never greater. Our new Assistant to the President, Rev. Lawrence W. Lykens, is on the job—making large plans, responding to calls, eager to help. Yours for a continually improving Lycoming.

Faithfully yours,
JOHN W. LONG, President

AAUP Sponsors Lecture Series

Just Released . . .

Dr. Marion R. Trabue, dean of the department of education at the Pennsylvania State College will be the guest speaker at the Greater Lycoming Banquet, it was just announced by Don Larrabee, chairman. Dr. Trabue's message will be of particular interest to Lycoming Alumni because of the expected addition of education courses to Lycoming's curriculum.

A member of the Board of Directors of Lycoming College, Dr. Seth W. Russel, assistant dean of the school of liberal arts at the Pennsylvania State College, will be the toastmaster for the evening.

Lycoming to be Represented at U.N. Model Meeting

Seven Lettermen on Current Warrior Team - Boast 6-2 Record

Now for the highlights of the games.

Lock Haven State Teachers

The Lycoming Warriors opened the 1952-53 season Wednesday, December 3 on a triumphal note by downing Lock Haven State Teachers 78-73.

Down Wilkes 93-91

The second and final game at home before the Christmas vacation was a thrilling victory over Wilkes 93-91. With seven seconds remaining, Jaime Nevins tapped in a rebound to give Lycoming Warriors its second straight win.

Vince Leta, a junior from Williamsport, set a new school scoring record in the course of the game as he tallied 36 points to surpass the former mark of 33 set by Billy Graff in 1951. Leta notched his points by dunking 13 baskets and 10 of 13 charity tosses.

Go On Road

The next three games the Warriors played were on the road. They won 2 and lost one, their only defeat so far.

Lycoming College won its third straight game with Mansfield State Teachers on the Mansfield floor. The final score was 76-66.

Senior Don Mosher was high scorer with 21 points.

First Defeat

December 13 saw the first defeat of the Warriors as they dropped a close one to fast-breaking Elizabethtown College 63-57.

Two competitors will probably not play a closer game all season.

The game was tied eight times, and Lycoming was right in the thick of the fight until late in the last quarter when an Elizabethtown substitute entered the fray and scored eight quick points—his total for the night. Vince Leta paced the scorers for the night with 20 points.

Win Again

George Fortner pacing the way with 24 points, the Lycoming Warriors won their fourth game in five starts with a 74-70 win over Juniata in the Memorial Gymnasium in Huntingdon.

1953 *Games*

Starting off the new year right, the Lycoming Warriors ran roughshod over Juniata's Indians 97-74 on a return engagement on the Hilltop. The lead changed hands seven times and was tied on three occasions before Leta broke a 35-all deadlock late in the second period. Leta's 20 was high for the Warriors although Mosher, Fortner and Hawkins hit in double figures with 18, 15, and 14 respectively.

Lycoming strengthened its bid for a ranking position Saturday, January 10 by walloping Susquehanna Universtiy 110-60, setting a new scoring record for itself. The previous high was 102 points scored two years ago in a 102-65 rout of Mansfield State Teachers College.

George Fortner was high with 26 points although each of the five starters scored at least 13 points. Mert Wagner followed Fortner with 19. Then came Jaime Nevins, 16; Vince Leta 14, and Don Mosher, 13.

A three-game winning streak was at an end for the Lycoming Warriors Wednesday, January 14 as they were beaten by Lock Haven Teachers, 69-63. George Fortner was high scorer with 14 points.

Up to the minute scores:

Directional Signs Painted at College

No longer will wide-eyed freshmen or visitors strange to Lycoming College Campus wander around vaguely not knowing where they are going. Recently a local sign painter, Herman Wagner, has been lettering doors of the administrative offices on the second floor of Old Main and the Board of Education offices of the Methodist Church on the first floor.

To add to all these guide posts, said Kenneth E. Himes, college treasurer, a large sign is planned for the entrance to the campus at the corner of Elizabeth and Bennett Streets (in front of the gymnasium) which will contain a directory of the offices as well as the dates of the founding of Lycoming College.
